SAMPLE ARTICLE NUMBER

Configure your desired coat rack

1.

Assemble your desired coat rack using the fact-sheet. This will then be individually manufactured according to your requirements - Quality directly from the manufacturer!

The correct article number

2.

Select from the respective options in the categories A-F. The result is the article number, which you use to order directly from us.

How can I get my correct article number?

Easy. For example you want to configure and order the coat rack stand 70*28?

Proceed as follows: First of all select the desired profile from category A e.g. option 2 - the right corner profile 65*22mmm. The first digit after the base number **RG70*28** is 2.

Select the respective options from the remaining categories. The last 3 or 4 digits are taken from the length of the coat rack, category F . For example If you select for a 660 mm long coat rack, the last 3 digits of the article number will be 660.

Option numbers		1 2	1 2 3	1 2	1 2 3 4	1 2		LENGTH
